Corporate Overview

Acceptable Acquisition Solutions, LLC provides Facilities support and Disaster Relief services. Our company also specializes in Administrative/Management solutions. Our mission is to exceed your expectations. Our team is dedicated to delivering client solutions in all that we do.

- **Facilities support** - Designed to optimize the efficiency of your operations routine maintenance.
Disaster Relief - During a crisis, we are committed and ready to provide effective solutions to minimize disruptions and aid in the recovery effort.
- **Notary and Courier/Express Delivery** - We ensure that your administrative/document management & logistical support processes are efficient and well organized.

DIFFERENTIATORS

- **Industry Innovation:** We are committed to staying at the forefront of the industry, continually innovating to meet the evolving needs of our clients.
- **Enhanced Training System (AQTS):** With over 20 years of training experience, we provide outstanding customer service and specialized cleaning. Our employees receive training that is 25% longer than industry standards, resulting in more qualified personnel and reduced turnover.
- **Healthier Environments:** By creating healthier environments, we contribute to the well-being and productivity of individuals and communities, ensuring that every project we undertake promotes a positive impact on public health and safety.
MISSION Our mission is to offer contracting services to government agencies including USACE, FEMA and other Federal and State agencies. Offering a range of products and services. Ensuring timely delivery and adherence to stringent procurement standards.
- **Facilities Support:** Successfully managed diverse facility support tasks, including routine maintenance, emergency repairs, and janitorial services, contributing to the seamless operation of various facilities.

Disaster Relief Services: coordinate w/USACE & FEMA & other Federal agencies to provide training, distribution of supplies, debris monitoring and removal efforts, significantly reducing downtime and accelerating recovery processes for affected areas.

Administrative Solutions: Provided comprehensive administrative support, including notary services, document management, and courier/logistical support, enhancing operational efficiency for our clients.
